

Community Involvement:

Patterson Homes is very interested in the communities in which we do business and we contribute our resources generously to the communities, cities, schools, hospitals, scouting and other private organizations that may need our assistance.

Patterson Homes is also committed to provide educational and financial support for education. We currently provide support to our local libraries, cities, schools. We invite you and your children to visit the *Patterson Construction Children's Library and Resource Center* in the American Fork Library at 64 S. 100 E. American Fork, Utah. As well, Patterson Homes is actively involved in educating the public in all aspects of the home building industry. Patterson Construction sponsors educational scholarships and internships for those pursuing a career in the construction industry. If you would like more information or have a child that may benefit from an internship with Patterson Construction please contact us at www.phutah.com.

Patterson Homes is committed in helping those unable to - because of age, physical or financial limitations - repair, fix up or maintain their place of residence. Patterson Home's employees, subcontractors and suppliers continue to donate their time, materials, and expertise in helping individuals and families in need that might not otherwise be able to help themselves.

These are just a few of the ways Patterson Homes gives back to the communities in which we do business – and we look forward to benefiting our communities in the many years to come. If you would like to learn more about our community involvement or participate with us in bettering our communities, simple go to our website at www.phutah.com and click on About Us - Community Involvement.

Oh by the way, since a large percent of our business comes by word of mouth, we have created a **Referral Reward** (*money, home improvements, vacation packages*) for your referrals of friends, family and acquaintances that in turn buy from us. It's a win-win three ways. You not only receive a reward while we receive a sale, but your referred person receives significant additional options and discounts on their new home - all because of you! Simply go to www.phutah.com, and click on "Referral Reward."
