

### **Charitable Donations:**

**Since Patterson Homes is a local company, we are very interested** in the communities in which we do business and we contribute generously to the many communities, cities, schools, hospitals, scouting and other private organizations that may need our assistance.

**Throughout the years, Patterson Homes has helped** those who are unable to - because of age, physical or financial limitations - repair, fix up or maintain their place of residence. Patterson Home's employees, subcontractors and suppliers continue to donate their time, materials, and expertise in helping individuals and families in need that might not otherwise be able to help themselves.

**Patterson Homes is also committed to provide educational** and financial support for education sponsoring educational scholarships and internships for our young people pursuing a career in the construction industry. If you would like more information or have a child that may benefit from our Scholarships or Internships please "Contact Us" at [www.phutah.com](http://www.phutah.com).

**Lastly, if you know anyone who could benefit from these kinds of assistance** or if you are interested in Patterson Homes donating to your cause, please go to [www.phutah.com](http://www.phutah.com) and fill out our Charitable Donation Form giving us as much information as possible. Know that though we cannot contribute to all charitable requests, we carefully consider each worthy cause. If you have further questions as to our criteria in assistance or donations, check our website "About Us - Community Involvement - Charitable Donations."

**These are just a few of the ways Patterson Homes gives back** to the communities in which we do business. Patterson Construction has been building homes here in Utah long before most of our buyers were even born and we look forward to benefiting our communities in the many years to come. At Patterson Homes, *we thank you* for your continued support in making our communities, cities and state a better place to live.

***Oh by the way***, since a large percent of our business comes by word of mouth, we have created a **Referral Reward** (*money, home improvements, vacation packages*) for your referrals of friends, family and acquaintances that in turn buy from us. It's a win-win three ways. You not only receive a reward while we receive a sale, but your referred person receives significant additional options and discounts on their new home - all because of you! Simply go to [www.phutah.com](http://www.phutah.com), and click on "Referral Reward."
