

Referral Rewards:

Since a large percent of our business comes by word of mouth (especially from referrals of previous satisfied buyers) we have created a **Referral Reward** program to reward you for your referrals - i.e. friends, family and acquaintances - that in turn buy from us. It's a win-win three ways. You will not only receive a reward while we receive a sale, but your referred person receives significant additional options and discounts - all because of you!

Here's how it works:

- 1. You must register** your "Referral Person" on line via this Referral Application before your referred person has made initial contact with us.
- 2. Your Referred Person must write up** a contract within a 3-month period and the Sale completed within 12 months. (You can always re-register your referred person).
- 3. By registering your Referred Person(s)**, they receive significant additional options and discounts on their home they normally would not be entitled to – **while you** get to choose from three referral rewards: 1) home improvement materials and/or labor; 2) a vacation trip package or 3) cash.
- 4. You choose and receive** your reward upon closing of the real estate transaction. Contact us at (801) 756-7303 for details on our rewards program.

Lastly, Patterson Construction appreciates your trust and assures you that not only will you and your Referred Person(s) be amply rewarded, but that they will be taken excellent care of throughout the entire building process.

Mostly, what we are really saying is **THANK YOU** for trusting us in building for you friends, family, and acquaintances.

If you know anyone that may be interested in purchasing a new home or lot in their near (or distant future) please fill out the **Referral Reward form** on line at www.phutah.com or contact us at (801) 756-7303 about our Referral Reward program.
